

International Friendly Match

Sheffield Wednesday v Olimpija Ljubljana

Monday, 4th August 1980

- Kick off 7.30 p.m.

Tonights' Visitors

Tonight we are delighted to welcome the players and officials of the Yugoslavian First Division club Olimpija Ljubljana to Hillsborough for a pre-season match with a difference.

Olimpija represent the top level of soccer in Yugoslavia, whose national side is unbeaten in 11 matches, and should provide Wednesday with a stiff run-out before the start of the new season on Saturday.

Olimpija was formed in July, 1945, just two weeks after the end of World War II, and appropriately the first name adopted by the club was Svoboda, meaning liberty. Since then, the club's name was changed twice more, Olimpija being adopted in 1962.

The club reached the First Division of the National league in 1953-54, but survived only one season, and their supporters had to wait 11 years for their return.

However, having gained promotion in 1965, Olimpija have remained in the top flight, enjoying their best seasons in 1970 and last year.

1970 also saw Olimpija reach the final of the Yugoslav Cup, where they were beaten 1-0 by Red Star Belgrade in a replay after extra time, having drawn the first match 2-2.

The club also has a tradition of providing international players, and among those who have represented Yugoslavia are Skoric Zlatko, Sombolac Velimir, Becejac Radoslav, Gugleta Dragan, Oblak Branko and Popivoda Danilo.

And in their short history, Olimpija have also played in the Inter Cities Fairs Cup (now the UEFA Cup) and the European Cup-Winners Cup.

They are presently managed by Dusan Varagic.
